

MakeUp in NewYork exhibitors unroll the red carpet for the brands!

[Get your invitation](#)

An edible packaging, a mascara lasting 2 weeks and relieving headache, a lipstick formula tripling your lips volume... You might have dreamed of launching one of these crazy products and you still probably can...

Because we can read your mind and we **know** what you are looking for !

Innovations, standard products and personalized offers, reduced time-to-market, inspiration, local and international suppliers...

And **guess** what ? You can find what your **heart** desires with our exhibitors, all already geared up for the East Coast market and ready to fulfill your needs in packaging, design, formulation, accessories and full service.

Podcast episode

Discover the podcast **BEAUTY IS YOUR BUSINESS**
Julie Mathers of Flora and Fauna – Green, Kind, and Selling Life

Eco-friendly and vegan products from Australia... Here's a classic episode of "Beauty Is Your Business" - Julie Mathers, Founder and CEO of Flora and Fauna, Australia's largest cruelty free & vegan shop with exclusive eco friendly products, joins Pavan Bahl, Marc Raco, and guest host and Kelly Stickle (CEO of Remodista) at Shoptalk Europe in Copenhagen.

Mathers reveals how her company offers all natural and vegan products, from skin care to fashion, and how essentially they "sell life", Flora and Fauna's 3.5k SKUs with many brands, and its private label brand Green and Kind
