## Our Past and Legacies

Established in 1960, Sanwa WINGS is well known in Japan as manufacturer with professional expertise in skincare, bodycare and haircare products.

With 60years of experience and trust from domestic partners, Sanwa WINGS Co.,Ltd has continued to provide and develop wide spectrums of beauty and personal care products that cater to the needs of leading brands in Japan.

**Beauty care products**

**Private label services**

**OEM total solutions**

## Now and Future

Our proud history has prepared us to be internationally capable and ready to spread wings to expand overseas.

Providing total solution for private labelling skincare, bodycare and hair care products, we are integrated with the facilities and staffs for Research & Development, Packaging, Creative Design, Manufacturing, Delivery and Multiple Language Supports.

At Sanwa WINGS Co.,Ltd, our goal is to bring the finest of Made in Japan products to your doors. Please come visit us during the show.

## Ethical and Responsible

By careful selection of our cosmetic ingredients, we aim to provide materials that are friendly to earth and to life.

## Japanese Quality Control

From formulation development to manufacturing, all our procedures are under careful quality control to ensure our products are 100% reliable.
