COVID-19 VACCINE REQUIREMENT FOR #MakeUpinNewYork

Dear attendees,

We are very happy to welcome you in a couple of days at Javits Center for this Back to Business edition « *Made in USA* » of MakeUp in NewYork.

Naturally, this return to business cannot happen without the appropriate public health precautions to protect everyone's safety. Welcoming all of you while respecting the strictest sanitary regulations is our absolute priority to offer you a worry-free visit to our show!

In accordance with New York State and New York City guidelines our partner, Javits Center informs us today that **a proof of a COVID-19 vaccination will be required for admission for MakeUp in NewYork in addition to mandatory masks to be worn by all guests while indoors.**

This sanitary protocol update **includes everyone attending to the show**: contractors, exhibitors attendees, and us as event organizers who will be required to show proof of vaccination in order to enter the convention center.

Individuals ages 12 and older **are required to show proof they have received at least one dose of a COVID-19 vaccine** authorized for emergency use by the U.S. Food and Drug Administration (FDA) or World Health Organization (WHO).

The Javits Center also requires **all visitors to wear face coverings inside the facility regardless of vaccination status.**

For proof of vaccination, individuals can use

- **CDC Vaccination Card.** A photo or photocopy of this card is also acceptable;
- **NYC Vaccination Record** or other official immunization record from within or outside the U.S., including from a health care provider. A photo or photocopy of this card is also acceptable;
- **NYC COVID Safe App:** Android | iOS. You can upload to this app a photo of your CDC vaccination card or other official record, along with your photo ID;
- **Excelsior Pass** (or Excelsior Pass Plus). To use this app, you will need the phone number or email

address associated with your vaccination record. If you are unable to use this app, try one of the other options listed above; and

• **Clear Health Pass.** To use this app, you will need a unique organization code before scanning your vaccine card or linking your lab account with a one-time login to your health provider.

Looking forward to welcoming you, we also count on your commitment to comply with those health measures.

MakeUp in NewYork will be welcoming you on **22 & 23 September** at **the River Pavilion – Javits Center** from 9:00am – 5:00pm

*Sandra Maguarian,
Show Director and her team*
